ANOTHER SUCCESSFUL AUCTION ANTICIPATED FOR THE TOWN OF BARRE!

BARRE, MA – On Wednesday, April 13, Sullivan & Sullivan Auctioneers, LLC will return to Barre, MA for a second Tax Possession Property auction. Six months since their last Tax Possession auction, the Town is expecting another successful public sale of all of the properties on the roster. Bidders will gather to compete for the mix of three properties consisting of one unfinished/framed home, a vacant lot and one property containing a condemned home.

In October 2015 Sullivan & Sullivan conducted the successful sale of two Tax Possession properties for the Town of Barre. The sale of the properties was an immediate source of income for the town with long-term effects as the properties returned to the tax rolls.

“The Town of Barre is working diligently with the sale of foreclosed inventory creating immediate revenue for the Town,” said Marianne Sullivan, President of Sullivan & Sullivan Auctioneers, LLC. “While buyers take advantage of low minimum bidding the Town recovers losses and achieves ongoing benefits by placing properties back on the tax rolls.”

The Town of Barre Tax Possession auction will be held at 12 pm on Wednesday, April 13, 2016 at the Henry Woods Municipal Building, 40 West Street, Barre, MA. Tax Possession Properties offered for auction are sold as is. Buyers will have 30 days to close the sale with the Town. For further information regarding the auction contact Sullivan & Sullivan Auctioneers, LLC (617) 350-7700 or visit their Website www.Sullivan-Auctioneers.com.
